

## Villa Askyfou

Villa Askyfou is located in village Goni Askyfou, at an altitude of 780m.

It is situated 45km away from Chania and 42km away from Rethymno city, on a plateau surrounded by Lefka Ori (White Mountains).

The villa is an old house renovated with natural material, mainly stone and cypress wood, and on the basis of its history and original form. It is furnished with collectible pieces, some of which date from the previous century.

Guest's attention is captured by the wooden stairs which are nailed with nails from horseshoes. The stairs lead to the attics where you can find the stone-built Jacuzzi.

The house can accommodate up to 12 persons in three floors.

Enjoy your fascinating holiday in our villa on the Askyfou plateau, an unforgettable experience.

# Description of Villa Askyfou

## *Description of the interior*

The arch is the main element of the common area, where you can find a satellite TV, a HiFi and stone-built sofas.

There is a fireplace in the middle of the room and a dining table next to it. The room is connected with the kitchen, which is fully equipped with all appliances and has got a stone-built oven as well.

All bedrooms are equipped with renovated metal beds.

On the **second floor** you can find another living room with two wooden sofa beds from which you can enjoy an astonishing view through the large window.

On the **third floor** there is a big suite with separate entrance. The suite includes a dining room, a fully equipped kitchen with refrigerator, a TV, WC and a large vintage bathtub.

The interior wooden staircase leads to a living room with glass partition that offers a panoramic view. At the top end of the staircase, in the attic, there is an old loom, which is adjusted as a double bed.
